Happy Mother's Day!

"A mother's love for her child is like nothing else in the world." — Agatha Christie

Mother's Day is set aside to honor and celebrate mothers, grandmothers and mothers-to-be. Shower the special women in your life with love, hugs and maybe a card or a beautiful bouquet! From all of us in the office, we wish all the moms who call our community home a very happy Mother's Day!

Remember and Honor

This Memorial Day, we remember all the brave men and women who gave their lives for our country. Our heartfelt thanks goes out to them and to all of our community's veterans for their service.

Heroes Big and Small

"Heroism doesn't always happen in a burst of glory. Sometimes small triumphs and large hearts change the course of history." —Mary Roach

150th Kentucky Derby

The world's most exciting two minutes in sports will bring even more excitement this year, as thousands will gather to watch the 150th Kentucky Derby on May 4. Several special events are scheduled to mark this milestone, including the fashion-focused "Derby Through the Decades" on Opening Night of the festivities, April 27. Churchill Downs will also unveil its renovated paddock, offering attendees luxury seating and an up-close look at the horses before the Race for the Roses begins.

‘M’ Is for Mother

In the majority of the world’s languages, the word for “mother” begins with the “M” consonant sound. Linguists say this is likely because “ma” is one of the first sounds uttered by infants.

Memorable Melody: ‘I Can See Clearly Now’

If you’re not already in a good mood, you’ll soon be in one after hearing this upbeat song, which has been spreading sunshine since Johnny Nash recorded it in 1972. For several years, the Texas-born singer had been living in Jamaica, writing and performing with local artists, including the legendary Bob Marley. Those influences can be heard in “I Can See Clearly Now,” which helped bring reggae music to a mainstream audience after quickly reaching No. 1 on the Billboard Hot 100. Both Nash’s original version and a successful cover by reggae artist Jimmy Cliff have remained popular for decades, appearing in many films, TV shows and commercials.

Brainteaser

Q: Two people were playing chess, yet both won the match. How?

A: They were playing against other opponents, not each other!
