Happy Halloween

It's that time of year, when ghosts and goblins appear—Halloween is here again. Happy Halloween from your staff!

Did You Know?

Take a stand this month and give thought to these preventive and cautious observances: National Breast Cancer Awareness Month, National Crime Prevention Month, Eat Better and Eat Together Month and Get Smart About Credit Day (third Thursday of October).

How 'Bout Them Apples?

Fresh apples covered in caramel and served on a stick are one of the signs that fall has arrived. Thank Dan Walker for the confection. In the 1950s, the Kraft Foods salesman came up with a way to use the company's excess supply of caramel candies. Today, the sticky treats are often made with additional toppings, such as nuts, chocolate, sprinkles and candy bits.

'Raven' Is One

How many words can you come up with using the letters in "harvest moon"?

For Sale: London Bridge

In the 1960s, London Bridge was falling down — or at least in imminent disrepair — so city officials tried to sell it to the Americans.

They bought it.

In October 1971, businessman Robert McCulloch, a millionaire industrialist known for harebrained schemes, decided it would be the perfect addition to his budding vacation destination in the Arizona desert. Widely mocked as “McCulloch’s Folly,” the bridge soon brought millions of visitors a year, putting Lake Havasu City on the map.

A Fall Funny

Q. What’s the difference between a cat and a frog?
