# Happy Easter! Wishing you the happiest of celebrations on this special day!

**Easter Egg Hunt**Come by the office for details on

come by the office for details on our Easter Egg Hunt! Our younger residents have a blast and it's fun to watch, too. Happy Hunting!

#### **Plant Seeds of Kindness**

"We are on Earth to take care of life. We are on Earth to take care of each other." —Xiye Bastida

**Woven Through Time** 

As one of the oldest handicrafts known to humankind, baskets have been there for us since the beginning of civilization, used to store and carry food, tools and even children! In many cultures, baskets have an artistic and practical purpose, with meaningful patterns and symbols woven into the design. In modern life, baskets are a simple and timeless way to corral clutter, display flowers or wrap a gift.

How many words can you come up with using the letters in "April showers"?

You may have heard of high-intensity interval training, or HIIT, which involves bursts of vigorous exercise alternated with short cool-off periods. Now, meet the training regimen gaining fans for its gentler approach: low-intensity interval training, or LIIT. The concept is similar, but instead of pushing you to the max, the exercises are lower-impact and slower-paced, and the recovery time is longer. Fitness experts say the versatility of LIIT workouts makes them ideal for people of all ages and fitness levels.

#### **Brainteaser**

Question: What do you throw out when you want to use it, but take in when you don't want to use it?

Answer: An anchor.

### Japan's Fan Dances

Fan Dance Day on April 3 celebrates Japanese fan dancing, which dates all the way back to 600 B.C. Since then, many forms have developed, often sharing key elements of bright kimonos, bold makeup, handheld painted fans and live music. Through pantomime, musical timing and bending their bodies into geometrical shapes, dancers incorporate the fans to tell a compelling story and provide beautiful entertainment.
