Happy Father's Day, Dads!

Every June, families everywhere set aside a day to honor fathers. A father is more than just a family's patriarch. He is a source of wisdom and strength for everyone in his home. At our community, we'll be hosting a celebration to say thank you to all our center's dads who've raised generations. We will have a feast fit for a king! We'll supply the meat for the grill; you just bring the fixings to make the meal complete. Don't miss the fun and fellowship at this Father's Day feast.

Ready, Set, Summer!

Get ready to enjoy the sun-drenched glow of summertime. The summer solstice this month signals the official start of the season. It will bring the longest stretch of daylight and the shortest night of the year in the Northern Hemisphere.

Remember the Three L's

The sunshine will soon be at its full force. To avoid overheating, health experts say to remember the three L's when it comes to clothing: Keep it lightweight, loose-fitting and light-colored.

So Nice To Hear

Start the month with a thank-you, compliment or other words of kindness. June 1 is Say Something Nice Day!

Simple Pleasures

"Some old-fashioned things like fresh air and sunshine are hard to beat." —Laura Ingalls Wilder

Iced Is Nice

Summer days are a time to cool down and kick back with a refreshing glass of iced tea. This popular thirst-quencher accounts for about 80% of the tea consumed in the United States.

Joyful Giraffes

Stand tall with the world's tallest animal on June 21, World Giraffe Day!

Popular Pages: 'Gulliver's Travels'

Jonathan Swift's adventure story, completed in 1725 and published in full in 1735, is one of the most famous examples of satire, the literary genre that uses humor to examine social issues. The book follows the journeys of sailor Lemuel Gulliver, whose encounters with strange civilizations provide an amusing and eye-opening look at human nature. A highly influential work of literature, "Gulliver's Travels" introduced the words "Lilliputian" to mean something small and "yahoo" to mean a rude or unintelligent person.
